

This handy reference volume brings together in one, easy-to-use guide, more than 3,600 definitions from the many disciplines that compose the field of criminal justice--including U.S. and English common law, penology, psychology, law enforcement, political science, and business administration. The volume also features summaries of nearly 1,000 key U.S. Supreme Court rulings affecting criminal justice, and appendix of juried academic journals, and a new compilation of Web sites in the field.
