

Just as the Lord our God is ehadâ€”not a single personâ€”but a â€œunited one,â€• so also is God stirring the hearts of His people around the world to come together as ehadâ€”a united company in character, and doctrine, and purpose. In this concise, yet direct and in-depth study, Dr. S.Y. Govender speaks to the grave importance and principles of Ehad: The Culture of Oneness, providing a multitude of scriptural examples and guidance. Dr. Govender encourages Christians to break the limitations of the church, to reject isolation, to live in community with â€œone mind, one accord, and one heart,â€• rather than individually. And throughout this book, you will learn how God says it can be done. You will also discover that while the glory belongs to the Lord, so does the Lord God want the Church to demonstrate that greater glory, along with the power and authority to build His Kingdom. But this can take place only when His people have met the four demands of ehadâ€”and become a united one.
