

EVENING BREEZE: University student Ray was planning to spend the summer on a simple walking holiday with his gregarious girlfriend, but at the last minute she informs him she's off on an exciting trip overseas with other friends, including a guy who is sweet on her, and without Ray. Despondent and dejected, Ray consoles himself by accepting an off the cuff invitation to join the pretty but reserved and difficult to know fellow student Daphne at her family home deep in the countryside. Ray sees it as an opportunity to get revenge on his girlfriend with a distracting summer fling, but he doesn't count on falling in love with Daphne, nor is he prepared for the wayward attentions of Daphne's scheming younger sister Izzy. An enchanting, provocative and powerful tale of passion, betrayal and love, Evening Breeze is a story you will never forget. **DESCRIPTION:** A work of interracial erotic fiction: WW/BM.
