

What circumstances in your life would lead you to challenge God and demand answers? You see like many, back in late 2007 early 2008, Geovanna suffered the devastating sting of the Real Estate collapse. With bills mounting, foreclosure and an enormous amount of stress, there was nowhere for her to turn. Geovanna needed to survive and thus looked inward. This book chronicles her journey to get answers from God. Geovanna invites you to take a look into her real-life journal where she records all her hardships, breakdowns, confusion, blessings and grace that all transpired while she struggled and developed a meaningful relationship with God in an unfamiliar place. Hear her story and learn. This is a guidebook for those who are looking for inner peace and spiritual growth to successfully overcome the struggles and challenges that happen while you live and journey through life.
