

I told her of the cause of her own symptoms. I gradually explained their effects, and without shocking her modesty, I contrived to hint at the remedy... I saw that she was so innocent as to be ignorant of my purpose, and burning with lust I determined to take advantage of her inexperience, and to be the first to teach her that intoxicating lesson of pleasure which, like all roses, is not plucked without a thorn. Being fully familiar with the female anatomy, our talented young protagonist wastes no time in using his skills to the betterment of the ignorant young woman under his care. Finding the lithe beauties all too willing to partake in a thorough examination by their handsome doctor, he educates them in all the forbidden deeds with all the motivation and enthusiasm his lascivious will allows. This little seen work of Victorian erotica brims with the wild abandon one of means and knowledge unleashes on the naive and untrained. Told in a decadently graphic but refined prose The Amatory Experiences of a Surgeon is a fine addition to any collection of the once suppressed.
