

Dialogues concerning Natural Religion is a philosophical work written by the Scottish philosopher David Hume. Through dialogue, three fictional characters named Demea, Philo, and Cleanthes debate the nature of Gods existence. While all three agree that a god exists, they differ sharply in opinion on Gods nature or attributes and how, or if, humankind can come to knowledge of a deity. In the Dialogues, Humes characters debate a number of arguments for the existence of God, and arguments whose proponents believe through which we may come to know the nature of God. Such topics debated include the argument from design -- for which Hume uses a house -- and whether there is more suffering or good in the world (argument from evil). (Quote from wikipedia.org) About the Author David Hume (1711 - 1776) David Hume (April 26, 1711 - August 25, 1776) was an 18th-century Scottish philosopher, economist, and historian, considered among the most important figures in the history of Western philosophy and the Scottish Enlightenment. He first gained recognition and respect as a historian, but interest in Humes work in academia has in recent years centred on his philosophical writing. His History of England was the standard work on English history for sixty or seventy years until Macaulays. Hume was the first great philosopher of the modern era to carve out a thoroughly naturalistic philosophy. This philosophy partly consisted in the rejection of the historically prevalent conception of human minds as being miniature versions of the divine mind. This doctrine was associated with a trust in the powers of human reason and insight into reality, which possessed Gods certification. Humes scepticism came in his rejection of this insight ideal, a
