

In AD 101 the Roman Empire undertook its largest military campaign in its history: Trajan's Dacian Wars. It was followed by followed up by the Roman colonization of Dacia, the greatest colonization effort in antiquity, and what would be the first step in the making of the Romanian people. And yet, less than 200 years later, Rome would have abandon Dacia, and its hundreds of thousands of colonists, due to an unprecedented onslaught of barbarian invasions. This book covers the fate of those left behind, how they survived the fall of the empire and adapted to barbarian rule. How the Romanians and their ancestors survived in a land that hosted a Whos Who list of barbarian tribes is a mystery of history and one that has been hugely contentious. The Lost Romans seeks to set the record straight and answer how the Romanians became the island of Latin culture they are today. With an armory of historical and archaeological evidence, and a dash of good humor, this book takes the reader on a ride through over two thousand years of civilization (and a bit of barbarity). Mircea's comedic and critical view of history spares no one: barbarian kings, Roman emperors, and outlandish historical theories are all given an equal roasting in the book's quest to uncover the truth about what happened in this little-known part of Europe. This book provides a entertaining and illuminating read for those wishing to learn more about late antiquity in Southeastern Europe, and how the Roman Empire acted as a force for cultural change in Europe. It also focuses on an aspect oft-forgotten, namely the cultural contributions of the wandering barbarian tribes on the local Romanized people. Both the history of the Romanians, and the controversies that have surrounded, are thoroughly investigated. Helpful illustrations, hundreds of references, and an accessible bibliography provide for both an easy to read and highly informative overview of late Roman and early Romanian history, and gives a firm launching pad for those wishing to delve deeper into Roman, Romanian, and Eastern European history.
