

Dynamic and informative, this book reveals the fascinating inner world of soul travel, and how accessing such a world can result in heightened spiritual awareness during ones waking hours. Even for those who have difficulties remembering their dreams, this manual offers ways to delve into the "sleeping" part of ones life and includes guidance on how to use dreams for advancement, the different levels of dreaming, and precognitive dreams. Dinamico y informativo, este libro revela el mundo interior del viaje del alma y como acceder a tal mundo puede resultar en mayor conciencia espiritual durante las horas de vigilia. Incluso para ellos que tienen dificultades en recordar sus sueños, este manual ofrece modos de profundizar en la parte de dormir de la vida de uno y incluye consejos sobre como usar los sueños para adelantamiento, los diferentes niveles del sueño y los sueños de precognicion.
